Sourced and imported; Czech Republic.  
Now mirrored 4mm; with traditional putty.  
These iron original factory windows have a lovely rusty raw finish; they are very unusual in that they have a central vertical pivot with an inner and outer frame; so if the frame is mounted say 10" off the wall on brackets you can alter the angle of the reflection when required.

Measurement: (variable see pdf) maximum height 185 cm x width 112 cm

Sourced and imported; France  
Antique c1890 rare and huge; heavy cast iron French industrial factory multi pained round topped window frame; one opening inner ventilation frame.  
Measurements: height 312.5 cm max x width 159.5 cm
